

COLEÇÃO · COLLECTION 2026

The Radiators

Toalheiros elétricos
Electric towel radiators

Calor desenhado para a arquitetura.

Heat, designed for architecture.

Toalheiros elétricos de linhas depuradas, construídos em tubo de alta performance. O tubo distribui o calor de forma uniforme e define o desenho: cada peça é, ao mesmo tempo, fonte de calor e elemento de arquitetura.

Vinte e um modelos em três famílias e sete acabamentos, coordenados com as coleções de torneiras Bliss.

Electric towel radiators with pared-back lines, built in high-performance tube. The tube spreads heat evenly and defines the form: each piece is both a heat source and an architectural element.

Twenty-one models in three families and seven finishes, coordinated with the Bliss tap collections.

CONSTRUÇÃO · CONSTRUCTION

Tubo, comando e acabamento. Tube, control and finish.

Tubo de alta performance

High-performance
tube

O tubo maximiza a eficiência térmica e distribui o calor de forma uniforme por toda a peça.

The tube maximises thermal efficiency and spreads heat evenly across the whole piece.

Comando integrado

Integrated control

Comando eletrónico com visor digital, integrado no próprio toalheiro: na coluna, num remate ou na prateleira, conforme o modelo.

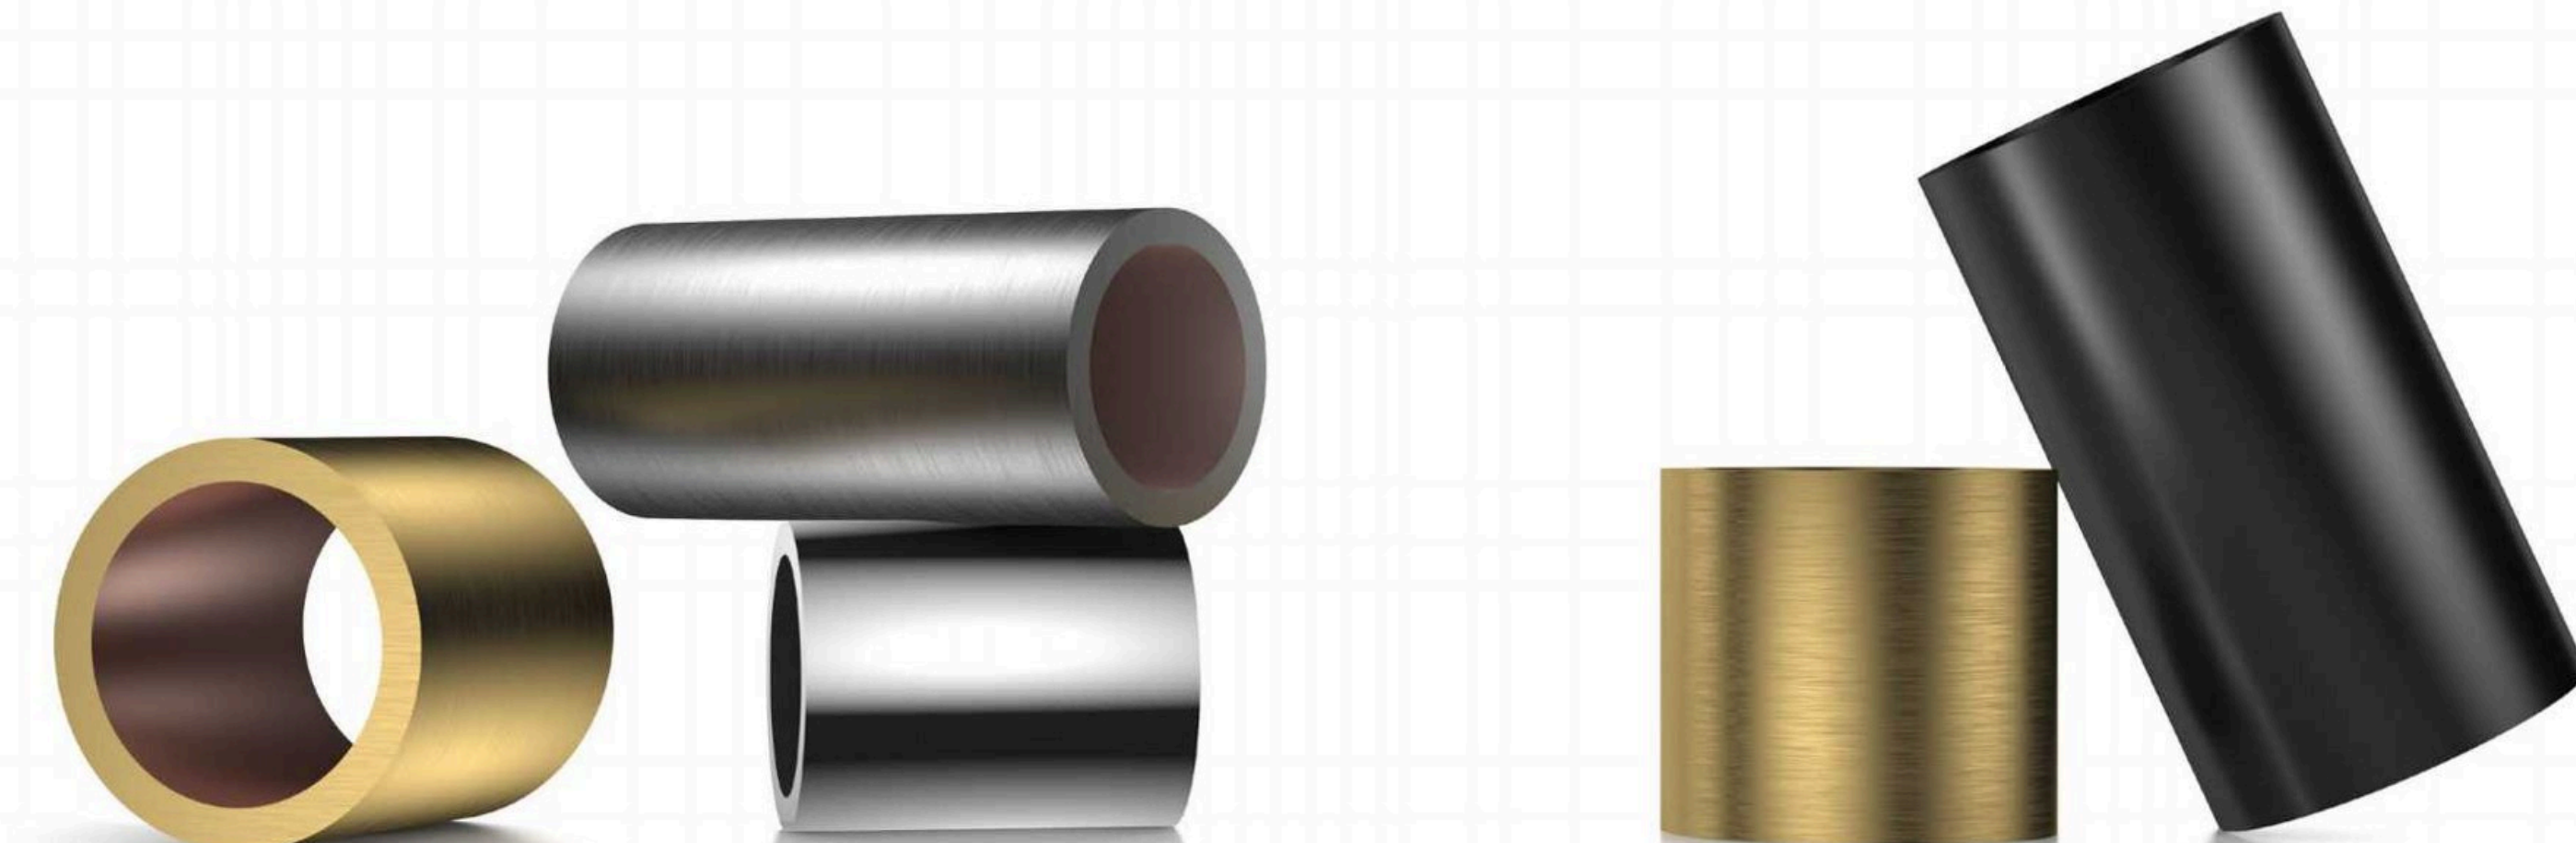

Electronic control with digital display, built into the radiator itself: in the column, an end cap or the shelf, depending on the model.

Acabamentos

Finishes

Sete acabamentos, dos metálicos escovados ao branco e preto mate, coordenados com as torneiras Bliss.

Seven finishes, from brushed metals to matte white and black, coordinated with Bliss taps.

Barras Bar radiators

Barras em consola, fixas de um só lado. Presença mínima na parede, para nichos, paredes de duche e composições com torneiras murais.

Cantilevered bars fixed on one side. A minimal wall presence for niches, shower walls and compositions with wall-mounted taps.

BLR36

Barras em consola com fixação individual
Individually fixed cantilevered bars

Cada barra fixa diretamente à parede, sem coluna nem estrutura aparente. Comando eletrónico num remate próprio, alinhado com as barras. Três configurações, de 3 a 5 barras.

Each bar fixes directly to the wall, with no column or visible frame. The electronic control sits in its own end cap, aligned with the bars. Three configurations, from 3 to 5 bars.
